CERTIFICATIONS

Our Excellence in Quality and Food Safety

Quality is at the heart of everything we do. Our entire factory follows sustainable practices, ensuring we meet and exceed international standards for hygiene and safety. We take pride in our achievements, including ISO 9001:2015 certification for Quality Management System, ISO

22000:2018 for Food Safety Management, HACCP Compliance Certificate, New APEDA License, Halal Certification, Authorised Importer & Exporter Certificate, and recognition as a startup under the Startup India initiative by the Government of India.

QUALITY ASSURANCE

Uncompromised Excellence

At Jatin Industries, we deeply acknowledge the pivotal role that transparency plays in the procurement of your meat products. Our unwavering commitment to maintaining an exceptional standard of quality distinguishes us in the industry. We go the extra mile, employing cutting-edge

facilities and rigorous inspection processes, ensuring that only the finest quality products find their way into your kitchen. Your satisfaction and confidence in the quality of our offerings are paramount to our mission, and we take pride in delivering a level of excellence that truly sets us apart.

Why Choose Us?

Quality, Transparency, Excellence

Transparent Sourcing Practices

Ensuring trust and confidence through open communication about the origin, processing, and transportation of our meat products.

Timely Deliveries

Reliability and punctuality in our deliveries, ensuring your kitchen receives fresh and top-quality meat products as scheduled.

Stringent Quality Control

Guaranteeing top-notch quality at every stage of production with rigorous measures and thorough inspections.

Efficient Logistics

Leveraging a robust global network, we optimize logistics to guarantee efficient transportation and delivery of our premium meat.

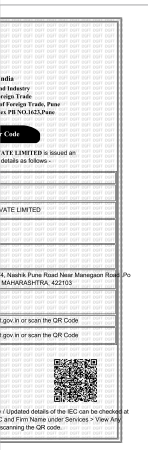

Premium Quality Assurance:

Dedicated to delivering the highest quality meat products, adhering to strict standards and thorough inspection processes.

Hygienic Packaging

Preserving the quality and safety of our products through meticulous packaging practices, ensuring hygiene and freshness upon arrival.

INFRASTRUCTURE

The State of an Art Facility

our state-of-the-art meat processing plant is a testament to our unwavering dedication to delivering the highest quality products. We adhere all quality and food safety regulations, ensuring stringent standards at every production step.

Situated in Nasik (Northern Maharashtra), our plant, the largest slaughterhouse in the region, has capacity to supply 15 tons of meat daily across India. Complementing this, our efficient cold chain logistics utilize a dedicated fleet of reefer vans and a network of cold storage connections

Hygienic Livestock Storage:

Our storage facility prioritizes cleanliness and hygiene to guarantee the safety and well-being of our sheep and goats. We uphold stringent standards for their secure and healthy environment.

Quality and Safety Compliance

We rigorously follow quality & food safety regulations, ensuring strict compliance with all prescribed rules. This commitment maintains the highest standards across our operations, guaranteeing the integrity of our products.

Advanced Cold S

Our cold storage maintains optimal preservation. Maintaining temperature from -20° to -40°, it has a capacity of 150 tons, ensuring the freshness and quality of our meat products.

across various Indian locations. This strategic infrastructure ensures seamless, temperature-controlled transportation and storage, showcasing our commitment to excellence at every stage of the supply chain. Furthermore, our super-chilled cold storage facility, equipped with blast

freezers ranging from -20° to -40° , stores an impressive 150 tons of frozen meat. This infrastructure guarantees the preservation of freshness, quality, and safety, reaffirming our commitment to excellence throughout the supply chain.

Cold Storage Facility

Our cold storage facility ensures optimal preservation conditions. With temperatures ranging from -20° to -40° , it has a substantial capacity, securing the quality and safety of our frozen meat products.

Advanced Packaging Facility

Our packaging unit prioritizes hygiene and precision. We ensure meticulous packaging, upholding the highest standards of cleanliness for our premium meat products.

Efficient Cold Chain Logistics

With a dedicated fleet of reefer vans and strategic cold storage connections nationwide, we ensure seamless, temperature-controlled transportation and storage across diverse locations in India.
